NewsFlash November 2012

Presidents Corner

The upcoming AGM for the financial year 2011/12 will hopefully mark the beginning of a new and very different chapter in the history of the Danish Club Ltd.

The caretaker-Committee of the last 2 years has completed its tasks successfully: Sale of the Club House & inventory, and settlement of the proceeds in accordance with the equity split under the terms of the Scandinavian Association. The Danish Club now has a relatively significant deposit in a high interest bank account, we are debt free, and we have a separate small cash holding and at call bank deposit as immediate working capital.

We have also corresponded with the Australian Securities & Investment Commission (ASIC) and have established that the reporting obligations on the Danish Club Ltd going forward are minor and insignificant in relation to previous conditions. This follows changes to auditing rules by ASIC pertaining to small Limited companies.

With a significant pool of money in the bank, much easier operating conditions, and no worries in relation to the upkeep and maintenance of an aging club house, it is now time to set a new course for the Danish Club.

In keeping with the projected lower future expenditure levels and our favourable capital position the caretaker-Committee is proposing that the annual membership fee for the current financial year (FY12/13) is reduced from \$50 to \$20. The proposal will be put to vote at the upcoming AGM. Hence, those of you who already have paid the \$50 membership fee for the current year will be given a \$30 refund if the proposal is accepted at the AGM. Only financial members can vote at the AGM. Hence, to vote at the AGM you must pay your \$50 membership fee prior to proceedings commencing at the AGM. You will receive the \$30 refund immediately following the conclusion of the AGM on Sunday 25th November 2012.

The AGM will mark the time for your renewed engagement, or indeed your fresh new involvement with the Club. What activities and offers would interest you – what suggestions would you like to put forward - what can you do to stimulate and be stimulated by membership of the Danish Club Ltd in Sydney?

Come along to hear about and to discuss matters, and to possibly engage with others in the new Club structure.

On behalf of the caretaker-Committee,
Henning Juhl
Outgoing President
